Happy Easter, and welcome to springtime in Glendale with its beautiful blooms.

Although we can expect a few unpredictable temperature swings for another month, you can predict what will be occurring at the Lyceum for the next nine months after the 2024 social calendar was unveiled at our annual Volunteer Appreciation Party. This year's VAP was held on St. Patrick's Day and hosted by our board leprechauns who provided Irish food and beverages while members mingled, reviewed this year's schedule of social events, and signed up to volunteer. In addition, ten members were rewarded with raffle baskets. Please check with the General Manager or Entertainment Director, Jenny Wheeler, to see if any remaining social events still need committee members or to volunteer with your friends. We need everyone to join in the fun.

On March 21, attendees at our first Dinner of the Month were treated to a specially curated Irish dinner while being entertained from a selection of authentic Celtic music performed by four musicians from the Riley School of Music in Norwood.

This past Sunday, 36 children and grandchildren of Lyceum members and Glendale residents were entertained by a visit from the Easter Bunny while enjoying an assortment of Easter treats before being unleashed outside to search for Easter eggs.

Our marketing committee has been busily examining our youth programming and beginning to identify the type of recreational assets that are needed on our campus to attract more young families. To broaden their perspectives of these families' needs, the committee recently fielded a research survey with 50 non-member mothers of young families who live in Glendale. This new information will help shape future marketing messages to this Young Family Membership category. Be sure to spread the word about this new Membership opportunity!

In addition, a recent audit of our website confirmed it is not meeting our members' or renters' needs. As a result, we plan to begin a redesign later this spring that includes a new digital platform that will make it a more secure, useful, and accessible resource tool for members, while improving its storytelling capabilities for potential renters.

Make sure to sign up soon for the Spring Cocktail Party on April 13, the Dinner of the Month on April 18, and an exciting new activity, "Kitchen Series" that's hosted by Chef Adam Cobb on April 26. Details of each of these events will be released in your Weekly Updates.

I look forward to seeing you soon,

Lyceum Board President

On The Court

"Happy April everyone! We're coming to the end of the paddle season for 2024. I'm very happy to have completed my first year here at the Lyceum. I hope I was able to help all of the ones that I have shared the court with. Thank you for the warmth and kindness I've received this first year. This month I will be introducing Cardio Tennis for everyone that is looking to have fun a raise their heart beat. I will also be running a Mixed Round Robin event on April 6th to get some competition before our In-House Pickleball Quadrants with start date on April 27th. The tennis clay courts are almost ready for this upcoming season. They're currently soft and dry so we'll need to continue doing maintenance. The windshields have been installed to create better play during the windy days. Paddle 101 starts April 2nd at noon at it will run every Tuesday for April and May. I will be out of town April 16th-24th to visit my family. I will be adding more events the following month for anyone interested in all three racquet sports. I'm also available for private lessons and 3 & Me's any day of the week. This is also for all three sports: Tennis, Paddle, and Pickleball. Please check all the dates on our Sports Update. Don't hesitate to contact me anytime if you need any help or questions! I will see you on the courts!"
