We are fast approaching the end of summer. Families are back from vacation and kids are back to school. Work is picking back up and routines are re-established. September may be the most beautiful month—at least in my book—with the start of a new season to enjoy.

I don't think we will see a slow-down in club activities or events as we head into fall. There is still plenty of Pickleball, racquet sports, and social events to engage in. Though our TGIFs are coming to a close, all volunteers who participated deserve a big thank you. I also want to extend a big thank you to Entertainment Director, Jenny Wheeler, for coordinating it all. Jenny brought a new level of energy and creativity to TGIFs this year and it was appreciated by all.

We can now look forward to the traditional Labor Day Picnic, Dog Day at the Pool, the Bourbon & Brews Fall themed cocktail party on the 17th and a resumption of Dinner of the Month with "The Haunted History of Cincinnati" on Wednesday, September 28th. Much to consider and enjoy as the season changes.

This is also a bit of a save-the-date to mark your calendars for the annual Directors' Ball scheduled for Saturday, November 12. This event brings everyone together for a formal and fun night. Second Wind is back this year with great dance music so get out your tux now for a fitting and start shopping for a festive dress. This is a great tradition you do not want to miss.

Lastly, this is to encourage any member who wants to get more involved in Lyceum Life to seriously consider Board of Directors service. Our membership is full of talented and dedicated people who bring different experiences, new ideas, and skills to the table, which makes this effort so rewarding. Board service is another way to support managing the Lyceum, work with our top-rate staff, and to meet our obligations as a member-run club. You will enjoy it!

PLATFORM TENNIS

Where has the summer gone?! The activity on the pickleball courts this summer has been AWESOME....and will continue throughout the month of September. BUT it's also time to think about our upcoming platform tennis season!! For those of you who haven't given platform tennis a try, now is your chance!

Over the past few weeks, I have been touching base with those of you who played last season and working on putting the rosters together for this year's Greater Cincinnati Platform Tennis Association's league play. The Lyceum will hopefully continue to have 10 teams participating in the GCPTA's league this season (5 men's teams and 5 ladies' teams). Even though the rosters are due by September 12th, I can always add players to the rosters as the season unfolds in case any of you have an interest in giving our interclub league play a try.

More information about this year's platform program will be coming out in the near future. In addition to our league play, Ladies' Night, Saturday Morning Quadrants, and our Platform Moonlights will all start up in October.

Looking forward to seeing ALL of you out on the platform tennis courts this year! If you have any questions, feel free to contact me at anna_b_turner@yahoo.com.

Thanks,
Ann Turner

Could the Lyceum be haunted?

Music Hall has it all: beautiful architecture, glass doors, chandeliers and, of course, some really creepy ghost stories

Music Hall was built over a potter's field. It is rumored that the "soul and spirits" of those buried now haunt the building
