The summer season has officially begun and the Lyceum is busy with what seems like almost daily events. Considering sunny weather and the long days, it is a great time of year to be a member with much to choose from and lots of options to get involved.

Our TGIFs have already started with more to come including themed dinners and al fresco dining at the pool. The summer pickle, paddle, and tennis programs are well-underway with plenty of opportunities for participation and socializing. July is the time for Kids' Camp and all it has to offer our young members with art projects, crafts, food, and other fun activities. Water aerobics is back again this summer so please check out the schedule. This month also offers the Lyceum Golf Open at Glenview on July 17 for members and friends. Our traditional July 4th picnic with a 'Red, White & Barbeque' theme will be another great one you won't want to miss!

These events and activities are all on the calendar but hanging around the pool, swimming, or just plain relaxing also have great appeal for members. The pool is back in top shape thanks to SwimSafe so take advantage of one of the Lyceum's most beautiful amenities.

All of these activities would not be possible without the hard work of volunteers and their creativity, energy, and enthusiasm. Many thanks to those committees, members, directors, and our dedicated staff who make it all possible. It is what makes the Lyceum such a great club.

Joan M. Verchot  
Lyceum Board President
