Joan Verchot, President

joanverchot@gmail.com

What began 140 years ago when our founding members established the Lyceum has evolved into a club with great traditions and customs for current members of all ages. Indeed, our mission statement provides that “the object of incorporation of the Lyceum is to promote higher education, to promote social and friendly relations among its members, and to provide literary, musical, and social entertainment for them and for the said Village of Glendale and its vicinity.” This mission, found in our Constitution, prevails today---although the founding members could not have foreseen the popularity of racquet sports!

The Lyceum continues to present many opportunities for musical, literary, and social entertainment through great programs like the Book Club, Dinner of the Month, Gourmet Club, presentations by the Civic Orchestra, Kids’ Camp, and past theatrical productions which we’ve enjoyed for years. Our picnics, parties and events encourage member engagement through shared social experiences. All of these activities allow new members to get involved with existing members as part of the “friendly relations” as stated in our mission. Take advantage of these opportunities by participating and volunteering—it’s what makes us a stronger club.

Please also stop by and congratulate Devon Davis on her appointment as our new General Manager. Devon has long experience at the Lyceum having worked with past GMs, Cindy Taylor and Nina Parr. She has worked with various boards over the years and with members planning and producing events. She knows our operations well. She has been an important part of Lyceum management and is excited to now take on more responsibilities helping members.

Thanks to all the committees who worked hard in May on events including Cinco de Mayo, Coach Livingston’s Bengals presentation at DOM, the Memorial Day Picnic and court-side activities. June is going to be a busy month at the Lyceum and I look forward to seeing everyone there.

Joan Verchot
Lyceum Board President

Playtomic

As of May 18th, we have officially upgraded our court booking system to Playtomic from FastCourts. You are now able to start booking courts through the Playtomic App or via the <https://playtomic.io> website. Instructions are available for how to do so on both the app and the web interface upon request.

When signing up for the Playtomic app, it will ask you several questions. It asks for a photo for your profile page. Just upload any photo you'd like. Then it will ask about your ability level for which ever sport you chose (tennis or padel). They do not have pickleball or platform tennis as a choice, so just select either tennis or padel for now and answer the questions the best that you can. The ability level that you will be assigned isn't something that we will be using. We are only going to be using their court reservation system for the time being.

Once you set up your profile, you can easily access the booking portion of Playtomic to reserve courts. Again, we have documents for reference on how to book courts and you can also visit Playtomic's YouTube page for many helpful tutorials.

Heather Geary, Devon Davis and I are all familiar with the new system and will do our best to help you if you have any questions.

Let's get booking.... We'll See You On The Court!!
