As spring temperatures rise and we head outdoors, activity is picking up at the Lyceum. Our landscaper has been out and about doing a spring clean-up on the lawn. Our beautiful begonias should be arriving any day now. Colorful flower pots are filled and thriving. We make our outdoor spaces and grounds a priority now for all to enjoy later.

Thanks to all committees who planned and produced April activities. Our annual Easter Egg Hunt was a successful and fun event for younger members, parents, and grandparents. It was a perfect day for egg hunting and more. The spring cocktail party was well-attended by current and potential new members with a cool jazz trio, creative specialty cocktails, and lots of laughs with friends. The DOM presentation on Music Hall: Then and Now showed us why Music Hall is a premier cultural center in our region. Its iconic building and deep history go back farther than the Lyceum (but not by much!) and its uses have spanned everything from industrial exhibitions to boxing matches--along with a little music, too. A terrific and informative event.

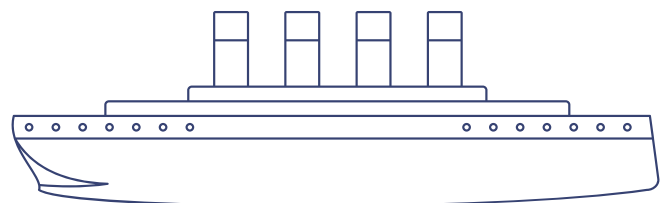

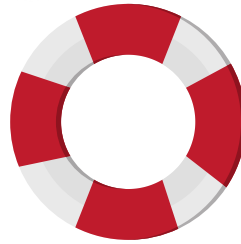

Our May social calendar kicks off with a Cinco de Mayo porch/sunroom party featuring Mexican food and beverage favorites. Get your jersey out again as you will not want to miss the May Dinner of the Month on Wednesday, May 18. It is a celebration of all things Bengals with speaker Robert Livingston, Bengals secondary coach. Our pool grand opening is in the works as is the Memorial Day picnic. All great ways to gather with fellow members and friends to enjoy the Lyceum this time of year.

We are coming up on a busy time of year with picnic, pool, and tennis season. Thanks to the board, Liz Deardorff and Devon Davis who have been working hard to make it all possible for everyone to enjoy. This is the perfect opportunity to spread the word to neighbors and friends about Lyceum benefits and all we have to offer, especially during our summer membership promotion. See you at the Lyceum this month!

Sincerely,
Joan Verchot
Lyceum Board President

Friendly Reminders

Lyceum Alcohol Donations

As members may or may not be aware, the Lyceum cannot charge for alcohol at our member events because we do not have a liquor license. The cost of beer, wine, or other alcohol we supply is not covered in the fees for events. We can, however, accept and do rely on member donations to help defray those costs. As we head into our busy summer social season, you will notice donation jars near the bar area at the member events. If you imbibe, please donate. As always, you may feel free to BYOB...but if we want the Lyceum to continue to provide alcohol at our member events, we need your support. I would like to thank all the members that regularly contribute toward the alcohol donation fund (and there are many!) We continue to offer particularly generous or thirsty members the option of a \$140 lump sum donation to cover a case of wine or keg of beer. As always, member contributions of time, talent and treasure are the reason the Lyceum we all love is able to thrive.

Thank you and Cheers!!

-Jenny Wheeler
